

# American Association of Critical-Care Nurses

- A American Association of Critical-Care Nurses é a maior organização de enfermagem especializada do mundo e possui como missão fornecer aos enfermeiros de cuidados intensivos informações precisas, relevantes e úteis sobre os cuidados de pacientes críticos.

AMERICAN  
ASSOCIATION  
*of* CRITICAL-CARE  
NURSES

- Uma editora dedica a criar um métodos de assistência de saúde orientado pelas necessidades de pacientes e familiares, onde enfermeiros de cuidados intensivos e críticos fazem sua contribuição ideal.

A pagina inicial é dividida em três partes:

1. Caixa de pesquisa básica
2. Área de pesquisa avançada
3. Acesso aos periódicos

The screenshot shows the AACN Publishing website homepage. At the top, there is a dark navigation bar with the AACN Publishing logo on the left. A search bar is highlighted with a red box and a red circle containing the number 1. To the right of the search bar are links for 'All Content', 'Advanced Search' (highlighted with a red box and a red circle containing the number 2), 'Register', 'CAPES', and 'Sign In'. Below the navigation bar, there is a 'Journals' dropdown menu. The main content area features a large background image of healthcare professionals. Overlaid on this image are three white boxes, each representing a journal. The first box, on the left, is for the 'American Journal of Critical Care' (AJCC) and is highlighted with a red box and a red circle containing the number 3. The second box, in the middle, is for 'Critical Care Nurse'. The third box, on the right, is for 'AACN Advanced Critical Care'. At the bottom of the page, there is a dark footer area containing links for 'JOURNALS', 'About AACN', and 'American Association of Critical-Care Nurses', along with social media icons for Facebook, Twitter, LinkedIn, YouTube, and Instagram. Copyright information for 2020 is also present.

A página de pesquisa avançada é dividida em quatro partes:

1. Direcionamento de periódico para busca de resultados
2. Busca por termos
3. Busca por autor
4. Busca por citação

The screenshot shows the advanced search interface with four numbered sections highlighted in red:

- 1 Journals**: A dropdown menu labeled "Journals" with a downward arrow.
- 2 Advanced Search**: A section titled "Advanced Search" containing a text input field labeled "Enter Term", a "Search" button, and radio buttons for "Any", "All", and "Exact Phrase". A "Filter" link is located below the search options.
- 3 Author Search**: A section titled "Author Search" containing a text input field labeled "Author Search", a "Search" button, and a "Filter" link below.
- 4 Find a specific article**: A section titled "Find a specific article" containing:
  - A "Title" section with a text input field labeled "Title Search" and a "Search" button.
  - A "Citation" section with a dropdown menu labeled "- Select a Journal", and input fields for "Year", "Volume", "Issue", and "First Page". A "Search" button is located below these fields.
  - A "DOI Search" section with a text input field labeled "DOI Search" and a "Search" button.

A página de resultados é dividida em duas partes:

1. Pesquisa avançada
2. Resultados de pesquisa
3. Filtros de refinamento de pesquisa

The screenshot shows a search results page for the term 'diabetes'. On the left side, there is a sidebar with search filters, including 'Format', 'Journal', and 'Article Type'. A red box labeled '1' highlights this sidebar. The main content area on the right shows search results for 'diabetes', with a 'Sort by Relevancy' dropdown. A red box labeled '2' highlights the first three search results, which are journal articles. The first result is 'Volume-Based Feeding in Enteral Nutrition: What About Diabetes?' by Mary E. Lough, RN, PhD, CCRN, CCNS, FCCM. The second result is 'Obesity Paradox: Comparison of Heart Failure Patients With and Without Comorbid Diabetes' by Kyoung Suk Lee, RN, PhD, MPH, Debra K. Moser, RN, PhD, Terry A. Lennie, RN, PhD, Michele M. Peltier, RN, PhD, Thomas Nesbitt, MD, MPH. The third result is 'Heart Transplant Outcomes in Patients With Pretransplant Diabetes Mellitus' by Anne Jalowiec, RN, PhD, Kathleen L. Grady, RN, PhD, Connie White-Williams, RN, PhD.

A página do artigo é dividida em quatro partes:

1. Título e informações do artigo
2. Ferramentas diversas e download do PDF
3. Conteúdo do artigo
4. Estrutura de navegação entre tópicos

The screenshot shows the article page for "Obesity Paradox: Comparison of Heart Failure Patients With and Without Comorbid Diabetes" in the American Journal of Critical Care. The page is annotated with four red boxes and numbered circles:

- 1:** The article title and author information.
- 2:** The toolbar containing options for Split-Screen, Views, PDF, Share, and Tools.
- 3:** The main body of the article, including the Background, Objective, Methods, Results, and Conclusion sections.
- 4:** The left-hand navigation menu with links for Article Contents, Methods, Results, Discussion, Limitations, Conclusion, and REFERENCES.

Additional elements on the page include a journal cover thumbnail, a "View Metrics" button (18 views), a "CITED BY" section with links to Web Of Science (9), Google Scholar, and CrossRef, an "Email Alerts" section, and a "We recommend" section with several related article suggestions.
