I. DESCRIÇÃO GERAL DO RECURSO

- **Nome do Recurso:** Coleção: “Canadian Science Publishing Journals Collection” de Canadian Science Publishing (NRC Research Press).

- **Tipo de Fonte:**

- Journals (23 títulos)
- Open Access
- eBook Collection (102 livros de 1993 a 2010)

- **Sobre Canadian Science Publishing:**

CSP é uma editora sem fins lucrativos cuja missão é atender às necessidades da comunidade científica. Fundada em 1929, CSP é a maior editora do Canadá a dedicar-se a difusão de conhecimento científico.

LISTA DE JOURNALS E ÁREAS

Ciências Exatas

- Canadian Journal of Chemistry
- Canadian Journal of Earth Sciences
- Canadian Journal of Physics

Agricultura e Ciências Biológicas

- Botany
- Canadian Journal of Animal Science
- Canadian Journal of Forest Research
- Canadian Journal of Plant Science
- Canadian Journal of Soil Science
- Canadian Journal of Zoology
- Environmental Reviews

Saúde e Educação Física

- Applied Physiology, Nutrition, and Metabolism

Ciências Biológicas

- Biochemistry and Cell Biology
- Canadian Journal of Microbiology
- Canadian Journal of Physiology & Pharmacology
- Genome

Engenharia e Tecnologia

- Canadian Geotechnical Journal
- Canadian Journal of Civil Engineering
- Geomatica
- Journal of Unmanned Vehicle Systems
- Transactions of the Canadian Society for Mechanical Engineering

Multidisciplinar

- Anthropocene Coasts (Open Access)
- Arctic Science (Open Access)
- FACETS (Open Access)

Acesso à plataforma digital de CSP

Ingresse no portal de CSP: <https://www.nrcresearchpress.com>

The screenshot shows the Canadian Science Publishing website. At the top right, there are links for [Login](#), [Register](#), [Shibboleth](#), [Mobile](#), and a [Cart](#) icon. A red box with the text "1- Clique em Login" has an arrow pointing to the [Login](#) link.

Below the navigation bar, there is a search bar and a dropdown menu for "All Journals". The main navigation bar includes links for [Home](#), [About Us](#), [Journals](#), [Books](#), [Compilations](#), [Open Access](#), [Authors](#), [Librarians](#), [Societies](#), [Blog](#), and [Contact](#).

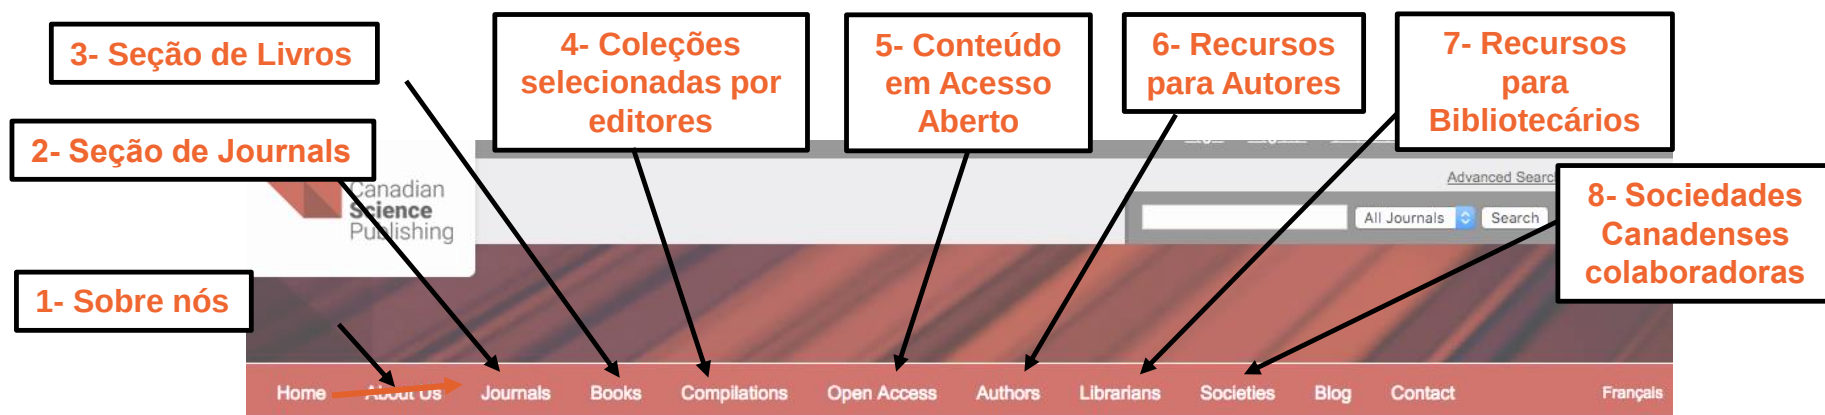

The main content area is titled "Sign In: Registered Users". It contains a section for "Single User Account" with the following text: "Your user account works across all Canadian Science Publishing (CSP) websites for NRC Research Press journals and society journals published through CSP. Your email address is your username if your email address is on file."

Below this, there is a "Sign In" section with input fields for "Username:" (containing "julia@accucoms.com") and "Password:" (containing "*****"). There is a checkbox for "Remember me" and buttons for "Sign In" and "Clear". A red box with the text "2- Registre-se com seu usuario e senha" has an arrow pointing to the "Sign In" button.

On the right side, there is a black box with the text "Empowered by Science" and "Canadian Science Publishing's 2018-2022 Strategic Plan envisions a world where everyone is empowered with scientific knowledge." Below this is a red button that says "Explore Our Plan". At the bottom right, there is a red box with the text "Scientific knowledge is powerful."

Canadian Science Publishing partners with Publons

Heart, mainstay, foundation—peer review is fundamental to the scholarly publishing of science. Canadian Science Publishing is proud to announce our new partnership with Publons, a free service for researchers to effortlessly track, verify and showcase their previously hidden peer review and editorial contributions. We look forward to working with our community of expert peer reviewers to officially recognize their efforts. Together we can strengthen the

Just-IN e-First Current Issue Most Read Most Cited News

Just-IN

Just-IN manuscripts are pdf versions of authors' accepted manuscripts prior to copy editing and page composition. Although considered published, Just-IN manuscripts are not the official version of record and can be substantially different from the final version. Note also that the translation of the abstract will be posted only with the official version of record. For more information, [visit our FAQ page](#) on Just-IN manuscripts.
