

BMJ Journals

- BMJ
- BMJ é um editor que iniciou sua história há mais de 175 anos como uma revista médica e continua atualmente servindo com a missão de ser um provedor mundial da área da saúde.
- Conta com conteúdos baseados em evidências que visam auxiliar médicos e demais profissionais da área a estarem mais preparados para enfrentar os desafios mais críticos da saúde.

- Publica mais de 70 revistas médicas e de ciências afins. Destes, quase metade está listado entre os 10 primeiros de suas categorias.

A página inicial é dividida em três partes:

1. Caixa de pesquisa básica
2. Seleção de conteúdos por especialidade
3. Conteúdos em destaque

A página do *journal* é dividida em três partes:

1. Barra de navegação do conteúdo
2. Informações da publicação
3. Conteúdos em destaque

The screenshot shows the BMJ Journals website for the *Annals of the Rheumatic Diseases*. Three red boxes highlight specific areas:

- Box 1 (Navigation Bar):** Contains the 'Subscribe' and 'Login' buttons, a search bar, and a menu with links: 'Latest content', 'Current issue', 'Archive', 'Authors', 'Podcasts', and 'About'.
- Box 2 (Publication Information):** Contains the journal's description, impact factors (Impact Factor: 28.003, Citescore: 28.5), and links to the latest content and podcast.
- Box 3 (Featured Content):** Titled 'Latest EULAR Recommendations', it features four articles with accompanying images: 'Management of psoriatic arthritis with pharmacological', 'Imaging in diagnosis and management of CIAs in clinical', 'Non-pharmacological core management of hip and knee', and 'Management of fatigue in people with I-RMDs'.

A página do artigo é dividida em três partes:

1. Visualização do conteúdo
2. Ferramentas diversas
3. Download do PDF

The screenshot shows the BMJ Journals website interface for an article in the Annals of the Rheumatic Diseases. The page is titled "Efficacy, duration of use and safety of glucocorticoids: a systematic literature review informing the 2022 update of the EULAR recommendations for the management of rheumatoid arthritis". The authors listed are Sytske Anne Bergstra, Alexandre Sepriano, Andreas Kerschbaumer, Désirée van der Heijde, Roberto Caporali, Christopher John Edwards, Patrick Verschueren, Savia de Souza, Janet E Pope, Tsutomu Takeuchi, Kimme L Hrych, Kevin L Winthrop, Daniel Aletaha, Tanja A Stamm, Jan W Schoones, Josef S Smolen, and Robert B M Landewé. The article is a review, and the abstract is visible. Three red boxes with numbers 1, 2, and 3 highlight specific features: Box 1 points to the "Article Text" icon in the left sidebar; Box 2 points to the "Article info" sidebar containing citation tools, share options, rapid responses, article metrics, and alerts; Box 3 points to the "PDF" download icon in the top right corner.

- A Dot.Lib é uma empresa brasileira dedicada à disseminação da informação científica através do fornecimento de acesso online a livros digitais, periódicos eletrônicos e bases de dados nas mais diversas áreas do conhecimento.
- Dotlib TV, um canal repleto de vídeos de conteúdos, tutorias e ferramentas que cobrem as mais diversas áreas de conhecimento. Acesse essas e outras informações, aqui, no nosso canal.

O QUE FALAM SOBRE NÓS:

Por mais de 10 anos de experiências compartilhadas, a DetLib se tornou um aliado da UAB/LA para a obtenção de recursos de informação de grande interesse à comunidade científica. Sua disposição à atenção ao serviço ao cliente e às capacidades se diferenciam.
