A página inicial é dividida em três partes:

1. Barra de navegação por tipo de conteúdo
2. Caixa de pesquisa
3. Área de destaque

A página de resultados é dividida em duas partes:

1. Filtro por: relevância, data de publicação, tipo de acesso, palavras chaves, publicações, autor e ano
2. Resultados de pesquisa

The screenshot shows the Karger search results page for the query 'skin cancer'. The page is divided into two main sections as indicated by the annotations:

- Annotation 1:** Points to the search filters on the right side of the page, including 'Publication Date' (Any date, Last 12 months, Older), 'Filter' (All, Articles, Journals, Book Series, Books, Pages), 'Access Type' (All, Paid Content, Free Content, Open Access), 'Keywords' (with a search box and tags for Breast cancer: 178, Melanoma: 130, Cancer: 96, Chemotherapy: 95, Colorectal cancer: 80, Squamous cell carcinoma: 75, Basal cell carcinoma: 70, Skin cancer: 70, Hepatocellular carcinoma: 67, Metastasis: 66), and 'Publications' (with a search box and a list of journals like Dermatology: 609, Oncology: 443, Case Reports in Oncology: 215, Breast Care: 146, Cellular Physiology and Biochemistry: 144).
- Annotation 2:** Points to the search results list on the left side of the page. The results include:
 - Result 1:** 'Skin Cancer: New Markers for Better Prevention' by Rüdiger Greinert, Pathobiology 2009;76:64-81. Abstract: risk factor for skin cancer - UV-radiation - is known, and, early detected, skin cancer can be cured successfully. For early detection of skin cancer suitable.
 - Result 2:** 'Skin Cancer in Organ Transplant Recipients' by Werner Kempf, Pathobiology 2013;80:302-309. Abstract: clinical diagnosis is limited, histopathology plays a crucial role in the diagnostic workup of skin cancer in OTR and may also provide important prognostic data.
 - Result 3:** 'Skin Cancer Prevention, Tanning and Vitamin D: A Content Analysis of Print Media in Germany and Switzerland' by Daphne Reinau, Dermatology 2016;232:2-10. Abstract: are subsequently adopted by journalists. To assist the media in disseminating sound skin cancer prevention strategies, health organisations should formulate consistent, easily understandable recommendations based.

A página do artigo é dividida em seis partes:

1. Download formato pdf
2. Ferramentas diversas
3. Título e informações do artigo
4. Mais informações sobre o conteúdo
5. Área de conteúdo
6. Navegação entre os tópicos do conteúdo

The screenshot shows the Karger journal article page for "Ustekinumab with Intravenous Infusion: Results in Hidradenitis Suppurativa". The page is annotated with six red boxes and numbers:

- 1:** A yellow button labeled "DOWNLOAD FULLTEXT PDF" in the top right corner.
- 2:** The "Article Tools" sidebar on the right, containing options like "Get Permission", "PubMed ID", "Citation Download", "Web of Science Citations: 2", and "Add to my Reading List".
- 3:** The main article title and authors: "Ustekinumab with Intravenous Infusion: Results in Hidradenitis Suppurativa" by Romani J.^a, Vilarrasa E.^b, Martorell A.^c, Fuentes I.^d, Ciudad C.^e, and Molina-Leyva A.^f.
- 4:** The "Article Details" sidebar on the right, showing "2020, Vol.236, > No. 1", "February 2020", and "Free Supplementary Material".
- 5:** The "Abstract" section, which includes a tabbed interface (ABSTRACT, FULLTEXT, PDF, REFERENCES, EXTRAS: 3) and the beginning of the abstract text: "Adalimumab is the only approved biological therapy for hidradenitis suppurativa (HS). The last published recommendations support the use of other off-label biologic therapies..."
- 6:** The "Scroll to" sidebar on the right, listing sections: Abstract, Introduction, Materials and Methods, Results, Conclusions, Key Message, Disclosure Statement, References, Author Contacts, Article / Publication Details, and Copyright / Drug Dosage / Disclaimer.

- A Dot.Lib é uma empresa brasileira dedicada à disseminação da informação científica através do fornecimento de acesso online a livros digitais, periódicos eletrônicos e bases de dados nas mais diversas áreas do conhecimento.
- Dotlib TV, um canal repleto de vídeos de conteúdos, tutorias e ferramentas que cobrem as mais diversas áreas de conhecimento. Acesse essas e outras informações, aqui, no nosso canal.
