Healio

- É uma poderosa plataforma web que permite o acesso à notícias e informações de todo o conteúdo especializado publicado pela SLACK.
- Projetada exclusivamente para profissionais em saúde, fornece médicos e outros profissionais da área com conteúdos personalizados com base em suas necessidades e áreas de interesse.

A página com a lista de todos os journals da editora é dividida em três partes:

1. Caixa de pesquisa básica
2. Barra superior de navegação
3. Lista geral de *journals* disponíveis

The screenshot shows the Healio SLACK Journals website interface. At the top, there is a search bar (1) and navigation links for Login, Register, and My Saved. Below the search bar is a navigation menu (2) with options: NEWS, EDUCATION/CME, JOURNALS, MEETING CALENDAR, and BOOKS. A banner for ISRS (International Society of Refractive Surgery) is displayed, stating "Benefit from expert clinical insight. ISRS members receive free access to the Journal of Refractive Surgery." The main content area (3) is titled "Current SLACK Incorporated Journals" and lists several journals with their covers and recent articles:

- Athletic Training and Sports Health Care**: Recently posted article "Performing Arts Medicine".
- Journal of Psychosocial Nursing and Mental Health Services**: Recently posted article "Physiological Measurements for Prescribing Psychotropic Medications".
- Annals of International Occupational Therapy**: Recently posted article "Capturing Participation Patterns With the Aday-App: Perspectives of Youth With Disabilities".
- Journal of Refractive Surgery**: Recently posted article "Ten-Year Outcomes of Progressive Keratoconus Management With the Athens Protocol (Topography-Guided Partial-Refractive PRK Combined With CXL)".
- HLRP: Health Literacy Research and Practice**: Recently posted article "Experiences of Six Male Occupational Therapy Practitioners at Varying Career Stages: A Phenomenological Study".
- Ophthalmic Surgery, Lasers**: Recently posted article "Effect of Decentration on the Optical Quality of Monofocal, Extended Depth of Focus, and Bifocal Intraocular Lenses".

On the right side, there are additional banners for ISRS and a section for "Meetings & Courses" with search and submit buttons.

A página de resultados é dividida em duas partes:

1. Refinamento por tipo de conteúdo
2. Resultados de pesquisa
